

Over sixty anglers braved the waters of Sam Rayburn all in hopes of catching a GIANT bass. Mother nature had a mind of her own once again with winds gusting all weekend long. Prevailing over all of the obstacles was the team of John Scott and Jake Permenter. The team mustered up a limit weighing 23.70lbs. with a kicker fish coming to the scales at 6.69. The second-place team was no other than Selvin Cartwright and Tommy Land with a limit of bass weighing 17.97lbs. Third Place was awarded to Josh "Moonpie" Sowell and John Paul Packard. Their limit of bass weighed 15.33lbs anchored by second-place big bass weighing 5.81 pounds. Last to the pay window was the father and son duo of Steven and Chandler Burgay. They had a limit weighing 15.13 lbs. Congratulations to our winners and hope to see everyone at the next meeting which will be held May 1st.
